## GOLF CART INFORMATION

Many of you have already inquired about golf carts for the event. This year, we have contracted with Golf Cars Unlimited to handle our competitor's golf cart needs. If you are interested in using a cart throughout the event, please telephone our contact, Sergio, directly at (209) 847-2117 or on his cell at (209) 595-4554. Golf Cars Unlimited will deliver the carts to the event. The rental period will be September 25-28, 2008. All carts will be subject to the same rental period as they all will be delivered and picked up as a group. Carts will cost \$55 per day for a standard cart, \$75 per day for 4 person or flat bed carts. All rates include delivery and pick up. You will make your payment directly to Golf Cars Unlimited. There will only be gas carts available as we do not have the facilities available to charge electric carts. Please make your reservations early as there will be no "extra" carts available for people who don't make reservations.

Please note that, per the Omnibus, no ATVs or unauthorized vehicles are allowed on course or in restricted areas. Bikes and scooters are ok and are preferred.

**\*IMPORTANT\***: Per rule GR301.5.a: "Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to golf carts, motorcycles, scooters, or farm utility vehicles on the

competition grounds of licensed competitions.” In addition, our insurance company prohibits us from allowing any person under the age of 18 to operate a golf cart or other motorized vehicle, regardless of whether or not they have a license. Penalties may include exclusion of the child, parent, guardian, and/or trainer from the competition grounds for the remainder of the competition. These rules apply regardless of permitted uses allowed by Golf Cars Unlimited. Please consult your rule book for details on penalties for violation of this rule and other specific language relative to this matter.

Please contact Sergio with specific questions on the carts or if you any other questions on the event itself, please email me at [kbiddle@grupe.com](mailto:kbiddle@grupe.com) or telephone me at (209) 473-6171. Thank you.
