SUMMER HORSE CAMP 2010

Willow Tree Stables
3777 Vineyard Rd
Novato, CA 94947

PROGRAM

Welcome to Willow Tree Stables Summer Camp Program. Each weekly session offers every camper riding lessons in the arena and out on the trail. In addition we offer beginning vaulting, bareback riding, and ranger led local environmental awareness.

Our staff consists of experienced counselors and certified instructors who conduct our sessions to insure our campers learn safe, responsible ways of caring for horses in a well supervised environment. We strive to help our campers form the foundation necessary for strong riding skills, or help further existing ability that gives your child a rewarding riding experience.

We enjoy creating fun adventures that may find us blazing new trails, playing games, decorating our horses, or sharpening our new found skills all of which helps campers quickly come to understand the joy horses bring to our lives. This positive experience will provide lasting relationships with our equine companions in hopes of developing a love of horses that carries on for life, all while having fun and making new friends!
Great for ages 7 - 17

What is vaulting?

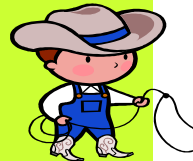

Vaulting is a unique and growing sport that combines gymnastics and dance on a moving horse. It's a wonderful way to develop coordination, balance, strength, and creativity while working in harmony with the horse. The vaulting horse is controlled by an instructor at all times on a lunge line. A lounge line is a 20' rope that holds the horse in a small, easily controlled circle.
